

REMARKS

The Final Rejection mailed May 31st, 2007 is both received and reviewed. By the
present Response and Amendment, Claims 2-11 are pending and Claims 2 and 6-10 are
5 amended. No new matter is introduced.

Specification

Examiner objects to both the Abstract of the Disclosure and to the Specification
10 for improper phraseology.

Applicant amends both the Abstract and the Specification to adopt Examiner's
required changes. Withdrawal of the objections are respectfully requested.

Claim Rejections under 35 U.S.C. § 112

15 Claims 2 and 6-10 are rejected under 35 U.S.C. § 112, second paragraph, as
failing to particularly point out and distinctly claim the subject matter which applicant
regards as the invention.

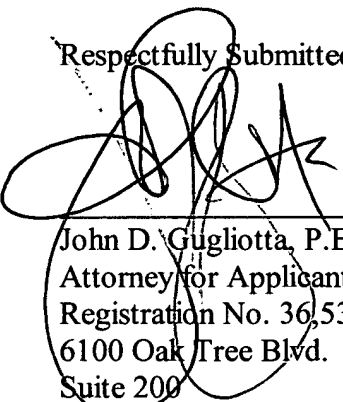

Applicant amends the claims and the claim language to conform to the
20 requirements of 35 U.S.C. § 112, second paragraph. Accordingly, Applicant respectfully

requests Examiner withdraw the rejection.

CONCLUSION

5 In view of the amendments submitted herein and the above comments, it is
believed that all the grounds of rejection are overcome and that the application is now
placed in full condition for allowance. Should there be any further questions or
reservations, Examiner is urged to telephone Applicant's undersigned attorney at (330)
659-0065.

10 Respectfully Submitted,
